

ROLLING OAKS PEDIATRICS

Kenneth L. Saul, MD, FAAP

July 21, 2022

To Our Dear Families,

We are proud to announce that Rolling Oaks Pediatrics has partnered with the Coastal Kids Pediatric family.

They are a larger, well-respected medical group that works with Children's Hospital of Los Angeles that will support us with new technology while helping us navigate the ever-changing insurance environment.

Rest assured you will continue to receive the same level of care you have come to expect from the same providers & staff that have always cared for your children! Your medical home here at Rolling Oaks Pediatrics will also remain the same. The location and phone numbers you have always used will continue to serve you.

Please note that during the transition process you may notice a change in the name on your insurance documents. If you should have any questions, feel free to reach out to us at 805-494-1948.

We deeply appreciate your loyalty and look forward continuing to serve you and your loved ones.

Warmest Regards,

A handwritten signature in black ink that reads "Kenneth L. Saul".
